LITTLE TRICK OF
YOURS IS SUPPOSED TO
SCARE ME, YOU HAVE
MISCALCULATED,
SORCERESS!

I AM
DISAPPOINTED,

A REASONABLE
AND NOBLE CHOICE,
PROFESSOR .. AND
WE ALL WIN.

AND THE
FIRE DEMON IS
MY PRIZE.

THE MONSTER WILL
TURN ON ANY MASTER

CARGO OF ILLEGAL ALIENS.

INCLUDING A YOUNG COUPLE
LOOKING FORWARD TO A
REUNION WITH THEIR TWO
YOUNG SONS... AND THE
BOY'S GRANDFATHER.

THE SEAS AND WEATHER WERE
UNFORGIVING. THE PASSAGE

...UNBEKNOWNST TO THE PASSENGERS, HOWEVER, THEIR TRIP WAS ABOUT TO GET INFINITELY WORSE...

...FAN'S MEN HAD RECEIVED A TIP THAT POLICE BOATS WERE PERFORMING SPOT INSPECTIONS OF ALL SHIPS ENTERING THE HARBOR...

...THIS WAS A DISCOVERY FAN'S MEN WERE SCHOOLED TO AVOID AT ALL COSTS -- UP TO AN INCLUDING THE DESTRUCTION OF THE CARGO AND SHIP ITSELF.

THE UNFORTUNATE SOULS ABOARD THE GUINGDAO STAR HOPED FOR A NEW, FREE LIFE. THEY FOUND ONLY THE CHOICE OF DEATH BY FIRE, OR WATER...

IT WAS TO AVENGE ALL THE LIVES LOST ABOARD THE STAR THAT WE STOLE THE SCROLL FROM GRANDFATHER...

...TO MAKE YOU PAY FOR KILLING OUR PARENTS!

TOUCHING. BUT A NON-ISSUE NOW THAT I CONTROL THE VENGEANCE BEAST...

DO YOU, FAN? DO YOU CONTROL IT?!

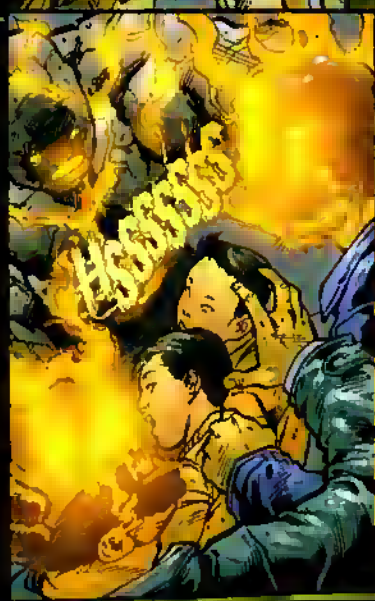

I... I...?!

I DID NOT SUMMON IT... WHY IS IT HERE?!

AWWRRRR..!

THE OLD MAN, THE BRATS -- KILL THEM!

THE Impending Chaos! #54

Your monthly News Source on all things Chaos! - MARCH, 2002

From the Crypt

This year's tour theme? CHAOS! CARNIVAL! If you've never, EVER come out to meet us before, then I invite you to come on out and party with us this year at the big comic book conventions! It's gonna rock.

I don't know what your expectations of a comic book signing are but here are some things our signings are not: boring, corny, stupid, or dull. Here is what our signings are about: hangin' with friends that turn into family fast, seein' our cool booth that puts the other booths to shame, chances to win free stuff, loud music, wild friendly people like you, unexpected stuff (which usually means half naked men and women). It's a rock 'n' roll good time.

Here is our next set of appearances:

WIZARD WORLD EAST
Philadelphia, PA
May 10-12

WIZARD WORLD
(including our annual charity auction / party meltdown)
Chicago, IL
July 5-7

COMIC CON INTERNATIONAL
San Diego, CA
Aug. 1-4

We will have surprise guests and lots of fun. If you are anything like I was as a comic fan you don't come out much. I say, to Hell with that. Get your ass out to meet us 'cause we want to meet you! We're not stuck up or full of ourselves. Come show us your tattoos, come dressed up as our character, let it all hang out. There are thousands of you guys we have not met yet, and you know you want to hang, so get off your asses and come on down!

You have my personal invitation.

Sworn,

-Brian Pulido

JOIN THE CHAOS! CARNIVAL TOUR 2002!

What's a convention tour without a theme? This year, we've got a whopper, and we're calling it the Chaos! Carnival Tour 2002! It's a little bit metal concert, a little bit freak show, and a lotta bit Chaos! own brand of madness!

We want to see you coming out decked out as your favorite Chaos! character, we want to see your Chaos! tats, and we want you to help us make some (legal, of course) Chaos! at every Con this summer! You come and represent Chaos!, we've got some free swag for ya, so don't be shy! Look for the con dates at www.chaoscomics.com!

THE GODDESS RETURNS IN MAY!

You've waited, you've wondered, and...well, you've waited some more, but finally, in May, the questions raised in Lady Death's life get answered in Lady Death: The Goddess Returns!

As she's been alive and mortal, and seen a massive design update thanks to the skills of J. Scott Campbell, Lady Death readers have been left wondering since day one: when will she change back to the pale Diva of Death? Will she ever change back?

Like we're going to ruin that for you here! We will tell you that in The Goddess Returns, Lady Death must make a choice: balances have been upset by her walking on the mortal plain, and players unknown to her have come in to set things right. As such, she'll be forced to make a choice in the face of Death himself - embrace her destiny, or die as a common mortal! If she does choose to once again walk with the immortals in the halls of power, what will she give up in exchange?

Return of the Goddess unfolds as

we find a search party that has been looking for Lady Death ever since she vanished from Winterhaven. Now, Vandala, Ravenheart, and Cremator are finally reunited with the Diva of Death. The problem is - she's broken and defeated and moments away from her own demise at the hands of Morgana and The Dark One!

Written by John Ostrander (The Spectre, JLA, Lady Death), penciled by Ivan Reis (Lady Death, Armageddon), and colored by Hi-Fi (New X-Men, Lady Death), this is one Lady Death story you cannot miss!

ICP RIDES AGAIN!

We couldn't keep them away with a sharp stick, even if we were going to try! Following the conclusion of Insane Clown Posse: The Pendulum, we found ourselves pining for our favorite rapping, twisted clownz. Lo and behold, when we called them up, they were missing us too! You know what that means? It means this May will see the debut of a whole new line of Insane Clown Posse one shots and specials from Chaos!

Look for the new one-shots to hit on a bi-monthly schedule, with each book being a stand alone comic based on recent and previous ICP songs. We'll be adapting some of ICP's most popular songs and translating them to individual stories inspired by the lyrics.

The first one shot hitting soon will still be fueled by crazy ICP antics, humor, and clown hysteria...as readers expect from Violent J and Shaggy 2 Dope (Insane Clown Posse themselves). The next round of Insane Clown Posse comics will also continue to be written by Jesse "ICP" McCann, be penciled by the talented young artist Gerardo Sandoval (Hallowicked), and colored by Colorgraphix.

Don't miss it juggalos!

GET HAUNTED - AGAIN!

Following up on one of Chaos! most successful new titles in years, this May will see writer Peter David return to an all new story featuring the kids collectively known as The Haunted! The new story, The Haunted: Gray Matters picks up where the last series left off and you know Peter David will have a surprise or two up his sleeve.

If you missed The Haunted the first time, don't make the same mistake again! After reading the first Haunted series, one clearly saw that Peter David's tightly woven script and dialogue capture the true essence of the teen youth of today.

This time around, The Haunted discover that their dubious and illusive friend, Stitch, is in the hands of the deadly organization known as the Gray Cell...and they don't know whether they can, or even should, rescue him. Time to get back to basics, class is in session, 'cause if you thought teenage life was rough, experience Peter David's The Haunted: Gray Matters and see just how rough it can be!!

The Haunted is written by Peter David, penciled by Nat Jones (Image's Spawn: The Dark Ages), inked by Kevin Conrad (Kiss: Psycho Circus) and colored by Todd Broeker (Spawn: The Dark Ages). Miss it, and we'll send The Haunted to visit you!

LADY DEATH, CHASTITY, AND BAD KITTY: UNITED

Chaos! three leading ladies come together in this special one shot to pay tribute to those who lost their lives in the September 11th attacks on New York City. Written by Brian Augustyn, this special begins in the aftermath of the attacks, as a young woman searches frantically for her husband, a WTC employee. As the situation grows

bleaker, her search becomes more desperate, but hope drives her on. As her quest continues, the young woman encounters Lady Death, Chastity and Bad Kitty, all working to help at different points of the area we now call Ground Zero. Each of the heroic women has forsaken their usual pursuits to pitch in and help the recovery efforts. While a city reels and mourns, heroes of all stripes struggle together mightily to bring some light out of the terrible darkness. With art by Ron Adrian, keep an eye out for this special tribute book. A portion of the proceeds from this comic will go to aid a family affected by the September 11th tragedy.

YE-HAW! LADY DEATH MEETS BEDLAM IN MAY!

She's the Diva of Death, he's a pig of a man - can you say beautiful music? Lady Death and Bedlam meet in New York this May as both run afoul of a mysterious enemy with connections to them both! Will they be able to work together without getting in each other's way? How will Bedlam react to the new, and as he sees her, weakened Lady Death? Find out all that and more in this latest crossover from writer Brian Augustyn. And hey: this special sets the stage for next month's company wide event, Lady Death: Dark Alliance, so don't miss out!
